IWG/WP-3
Control No. 444636
7 August 1953

MEMORANDUM FOR: IWG

SUBJECT: Transmittal of CIA Draft Working Paper on "Soviet Bloc
Position in Steel Wire, Strand, Cable, and Rope"

1. Attached for IWG consideration is a CIA draft working paper prepared for the OIT Steel Task Group to present intelligence required for a review of the strategic rating of steel wire, strand, cable and rope.

2. This paper is submitted to IWG to obtain any additional relevant intelligence. Pertinent comments should be submitted to the Executive Secretary at the IWG meeting scheduled for 13 August 1953.

3. Following IWG review, the paper will be reproduced as a final report for distribution to the Executive Committee, EDAC, and to the Chairman of the appropriate OIT technical task group.
